

## fire protection kit 9 for steel trapezoidal-profiled roof, DN 90/DN 100

Part number: 515148  
GTIN: 4001636515148  
Rebate group: 3

### Description:

fire protection kit 9 for steel trapezoidal-profiled roof, DN 90/DN 100  
for fire-retarding installation of roof drains types 62 FPO/PVC DN 90, DN 100 and types SuperDrain 62 PVC DN 90 conforming to DIN 18234-3.  
Functional component according abZ-Nr. Z.17-1800.

specification:

- intumescent material
- fire proofing insulation
- support plate 600 x 600 mm
- screws

connects to:

plastic pipework with couplings  
cast iron pipework DALLMER HT/SML pipe coupling DN 100/DN 100 (part no. 880062)

### Spare parts:
