DALLMER**electronic kit iQ 110 E 2, DN 50**

Product No. **145505**
 EAN: 4001636145505
 Discount group: 9

for completely concealed installation

specification:

- one flushing programm (ex-factory settable)
- urinal trap
- sensor and cable
- microprocessor
- solenoid valve
- splash guard

Product No.	Description	Dimensions
145840	iQ microprocessor 110	
145796	iQ servo-valve	
145703	urinal trap HL 430 E, DN 50	DN 50

Product No.	Description	Dimensions
145024	installation kit iQ R2	
145031	installation kit iQ R3	
145789	iQ sensor extension cable	
145376	spreader iQ Universal
